The links provided on your schedule to your required course materials direct you to the Barnes & Noble store in College Station. Please be aware that most of the books that are required for Law School are not available in College Station.

We are partnered with “RedShelf” which has eReader access to some of the titles on the booklist. Please go to law.tamu.edu and link to the Bookstore for access to titles available for your classes.

A note from Professor Morrison:

- Be sure to buy hard copies of the required books rather than the electronic versions, there will be times that you’ll need access to a hard copy. You will also need the hard copy of the Bluebook to complete your citation exam as you’ll be unable to access the electronic version during the exam.
