SPRING 2022 GRADUATE PROGRAM BOOKLIST
(Both session I and session II courses)

*You may either purchase the books on your own from entities like Amazon or Barnes & Noble (quick google search can find most), purchase them from National Underwriters if available (1-800-543-0874), or purchase from the TAMU Law School Bookstore (817-212-4070). Shipping charges may apply. eBooks are also available through the National Underwriters website - http://www.nucollege.com/students/index.php.

Please note: the TAMU Law bookstore does not carry most of the materials for graduate programs, so searching on Amazon, National Underwriters, etc. may be the better option.
