I. Application Conditions & Procedures

A. Application Submission

The application will open at 9:00 A.M., Tuesday, February 27, 2018. The complete application packet must be submitted by **5:00 P.M., Friday, March 09, 2018.**

You are not required to have secured an internship placement prior to applying to the fellowship.

Your application packet must be submitted to both: (1) the Student Affairs Office in a sealed envelope and (2) an electronic copy to s.l.smith@law.tamu.edu.

Applicants will be notified of the committee’s decision by Tuesday, March 20, 2018.

NOTE
The Law Fellowship Awards Committee shall not exclude an applicant because of membership status (or lack thereof) in the Texas A&M Law Fellowship or any other academic, professional, social, or religious organization.

B. Conditions of Admission to the Fellowship

By accepting Fellowship funds, Fellows agree to:

- **30-Hour Commitment.**
  - Over the course of the subsequent school year (Fall 2018-Spring 2019). You must be a student of Texas A&M School of Law.
  - This time will be spent assisting the Board with planning, organizing, and soliciting donations for the annual Fellowship Dinner & Auction.

- **Donation Solicitation.**
  - Fellows must solicit at least three donations for the annual Law Fellowship Dinner & Auction.

- **Fellowship Impact Statement.**
  - Submit a 1 to 4-page paper detailing your experience at your fellowship internship placement.
  - The 2018-2019 Fellowship President will announce a due date in late Summer 2018 for the paper. Papers will be used for purposes of promoting the Fellowship.

- **Law Fellowship Dinner & Auction.**
  - Attendance at the event is mandatory.
  - Special exceptions in extenuating circumstances can be made at the Board’s discretion.

- **Do not apply if you plan to transfer to another law school.** Transferring to another law school after receiving the summer stipend will require repayment of the stipend in full. Failure to repay will result in a letter of “Not Good Standing” in your student file at Texas A&M University School of Law.

Failure to complete the requirements stated above after accepting Fellowship funds may result in a report to the Dean for Student Affairs, stipend repayment, and/or failure to earn graduation cords.
Please take pride in being selected as a Fellow and please treat this contract as you would any other. We are future lawyers, so we above everyone else should keep our word.

C. 2018 Fellowship Stipend Level

The Board, at its sole discretion, shall announce the minimum total amount of Fellowship Awards available for the summer of the 2018 academic year. B. Conditions Rendering an Application “ineligible” for Consideration

Prior to the Awards Committee grading an application, the Chairperson will determine its eligibility. An application shall be designated “ineligible” for one or more of the following reasons:

1. Incomplete or illegible application;
2. Applicant is expected to graduate before or during the summer in which the applicant intends to pursue Fellowship support;
3. The applicant’s proposed position is not, in the opinion of the Board, considered to be a Public Interest pursuit;
4. Prior to the presentation of an award, the applicant withdraws from Texas A&M University School of Law, or otherwise becomes ineligible to continue as a student at Texas A&M University School of Law;
5. Applicant has a cumulative grade point average less than 2.5; or
6. Unethical attempt to influence voting Board members and/or Awards Committee members.
C. Questions & Anonymous Selection Process

The Texas A&M Law Fellowship’s Vice President shall serve as the Awards Committee Chairperson and shall maintain a spreadsheet identifying all applicants. The Law Fellowship Vice President is responsible for redacting all identifying information from both the resumes and the applications.

Each applicant’s paperwork will be stapled together and assigned an identifying letter or number. These letters/numbers will be the only way the Awards Committee will be able to identify an application while assigning it points. General, informational questions can be answered by any fellow or board member, but questions which may reveal your proposed internship locale should be directed to the Law Fellowship Vice President or the Assistant Dean for Student Affairs.

No current applicant will serve in any capacity of the Awards Committee.

WARNING!
An applicant who discusses the specifics of her/his proposal with members of the Awards Committee prior to the completion of the selection process will be subject to disqualification.

Contact Taylor Winn, Law Fellowship Vice President at taylor.winn92@email.tamu.edu with questions about the application process. All questions should be directed only to Taylor Winn to preserve the anonymous selection process.

Except as provided above, DO NOT contact any Current Fellowship Board Member or 2017 Fellowship Member regarding your application. This is to preserve the anonymous selection process of the fellowship.

D. Internship Placement

It is your responsibility to secure an internship placement. We encourage students to think “outside the box” when looking for a potential placement. Most non-profit organizations or government agencies with a legal department will qualify. If you need help in selecting a placement, you may contact the Fellowship Vice President or the Assistant Dean for Student Affairs.

In securing your internship placement, you must inform your internship placement: (1) if your ability to serve is dependent upon receiving a fellowship award and (2) that there is a deadline for finalizing the placement if you are selected as a Fellow.

If you are awarded a fellowship, you must finalize your placement by 5:00 P.M., Friday, March 30, 2018. Failure to meet this deadline may result in a forfeit of fellowship funds. Should the Fellowship Award not be timely certified, resulting in a forfeiture of funds, such Award shall be offered to an Alternate Candidate.
It is a violation of the Code of Conduct for any student to accept Fellowship funds without performing the service commitment for which the Award is granted. The Board reserves the right to contact the Public Interest organization to verify performance.

E. Fellowship Awards Committee

The Texas A&M Law Fellowship Awards Committee is a five (5) to seven (7) person body comprised of available Board members, who are not applying for a fellowship, and up to four additional Law Fellows.

F. Selection Notification

Following the report of awards selection to the Board, applicants will be notified by email. Such notification will include instructions for requesting placement letters from a representative of the Public Interest organization for whom the Candidate will perform her/his proposed service and a W9/vendor form to be completed and returned to Shawna Smith.

G. Final Selection and Fellow Select Notification

Upon presentation of the applications of Candidates, the Final Awards Committee shall meet to select those Candidates who shall be granted a General Fellowship Award. In making such selection, the Committee may consider, but is not limited to: (1) amount of points assigned by the Awards Committee and (2) organization that will benefit from the Candidate’s service.

Awards shall be granted by a simple majority of the Final Awards Committee and limited in number so as to preclude exceeding the maximum total amount of Awards as established by the Board for the 2017 Fellowship Class. In addition to the Awards granted, the Awards Committee shall select two Alternate Candidates. In the event a Candidate cannot accept the Award(s) granted, the Award shall be offered to the Alternate Candidate.

Applicants will be notified of the committee’s decision by Tuesday, March 20, 2018.
