ALL 2022 PRIORITY REGISTRATION DATES AND TIMES

Friday, November 5 – LL.M. and M.Jur. Students

Beginning at 7:00 a.m. graduate law students may register for spring 2022 classes through Howdy or by submitting an [Electronic](#) Course Registration form to Student Services. The registration form is available on the law school website Student Services page under Forms and Applications.

Student Services will be open at 8:00 am on all designated priority registration days. If you have any registration issues, please contact Student Services at law-registrar@tamu.edu.

REGISTRATION PROCEDURES

Location Designation and Terms of Use in Howdy

Before registration in each term can be processed, all students must log in to Howdy to acknowledge their intent to pay as well as designate their physical location to ensure correct billing and to comply with state and federal rules. **The location selected should indicate where you intend to physically reside for the semester. You must select your location for the spring 2022 semester.**

Steps to complete this process:

1. Log in to [Howdy](#).
2. Click on the **My Record** tab.
3. Under the **Registration** banner, select **Location Update**.
4. Select the **Term (Spring 2022-College Station)**. *You must select your location for the spring 2022 semester.*
5. Update your **Location** by selecting your state and/or country of residence from the drop down menus.
6. **Submit** the location change.
7. Click **Accept Terms of Use** and acknowledge.

Registration through Howdy will be available for most classes. A [Registration Tutorial](#) is available on Howdy for your convenience.

Please note that at this time Howdy registration does not allow adding two courses with the same course number, such as Special Topics courses with a number of 689. If you are adding two or more courses with this number please use the [ELECTRONIC REGISTRATON FORM](#) available on the [Graduate Student Services webpage](#). If you are unable to register through Howdy for any reason, other than an account hold or a full course, please use the electronic registration form and we will process your request. We will notify you by email if your request cannot be completed. If you have any registration issues or questions, please contact Student Services at law-registrar@tamu.edu.

Dropping Classes

Please see [Academic Calendar](#) for last day to drop classes date for your program.

After the last date to drop, all graduate law students must submit an [Electronic](#) Course Registration form and receive approval from the program director to drop individual classes. To drop all courses, you must submit a [University Withdrawal](#) form through Howdy.

Withdrawing from a Term

To drop all courses (or the final course that you are registered for) in any given semester, you must submit a [University Withdrawal](#) form through Howdy.

Tuition and Fee Refund Policy

Information about tuition and fees is available on the L.L.M and M.Jur. Programs [page](#) on the law school website.

Information about refunds is available on the Student Business Services [website](#).

Directed Study

Directed Study is a one-credit course. To receive credit, the student must spend at least 60 hours during the semester in which the student enrolls in Directed Study. Students are responsible for keeping a log of their hours and submitting the log to the supervising faculty member at the end of the semester.

Students may not enroll in a Directed Study without the consent of a faculty sponsor, who must be a full-time faculty member. The Associate Dean for Academic Affairs may approve Directed Study credit with an adjunct faculty member if a full-time faculty member acts as a co-sponsor for the student and reviews the student's work product.

Technology Requirements

Students are expected to know how to manage computer issues and to have reliable technologies to fulfill course requirements. An up-to-date PC or Mac-based computer with access to high-speed internet is required for distance education courses.

Courses delivered online may be either synchronous or asynchronous. Synchronous online classes require students and instructors to be online at the same time. Lectures, discussions, chats, etc. occur at a specific time. All students must be online at that specific hour in order to participate.

With asynchronous online courses, lectures, assignments, and other materials are posted online and students may access the material at any time, although the instructor generally sets a definite time period in which students may participate in each online class.

Hybrid courses (also known as blended courses) include both face-to-face classroom meetings and an online component. The online component may be either synchronous or asynchronous.

Cancellation of Classes

Classes may be cancelled for low enrollment. This decision is made by the Associate Dean for Academic Affairs.

DISTANCE EDUCATION
